26 v. Plaintiff,

27 **DECLARATION OF N. GRANNIS IN
28 SUPPORT OF DEFENDANTS' MOTION
TO DISMISS**

S. RIVAS, et al.,

Hearing: June 26, 2008
Time: 9:00 a.m.
Courtroom: D
Judge: The Honorable Jan M. Adler

Defendants.

29 I, N. Grannis, declare as follows:

30 1. I make the following declaration of facts based on my own knowledge and, if
31 called, can testify competently thereto.

32 2. I have worked for the California Department of Corrections and Rehabilitation
33 (CDCR) for approximately twenty-four (24) years. I am currently employed by CDCR as the
34 Chief of Inmate Appeals Branch, Sacramento, California, which receives all inmate appeals
35 submitted to the third formal level of review, also known as the Director's level. I have held this

1 position since October 10, 2002.

2 3. There are four levels of appeal review: one (1) informal and three (3) formal
3 levels Cal. Code Regs. tit. 15, §§3084.5. To initiate the appeal process, the inmate is required to
4 submit a CDC-602 form, which requires the inmate to describe the adverse action he or she seeks
5 to appeal in addition to specific relief he or she requests. The informal level of review requires
6 the inmate to submit the CDC-602 form to prison staff who were directly involved in the action
7 or decision within fifteen working days to attempt a resolution on an informal basis. If the issue
8 is not resolved at the informal level, the inmate may appeal to the first formal level of review,
9 which is submitted for review at the Division Head level. If the inmate is not satisfied after the
10 first formal level of review, the inmate may submit the CDC-602 form for a second formal level
11 review, which is conducted by the Institution Head or his or her designee. If the inmate is not
12 satisfied after the second level review is completed, the inmate may appeal to the Secretary of
13 CDCR (formerly the Director of the CDC) by submitting the appeal to the Inmate Appeals
14 Branch. A decision by the Inmate Appeals Branch, which is supervised by the Chief of Inmate
15 Appeals, constitutes the Secretary's decision and completes the administrative appeal process.
16 All inmate appeals submitted to the Inmate Appeals Branch for third level review are processed
17 through my office.

18 4. Upon receipt, all appeals are logged into a computer database. The computer
19 database tracks all properly filed inmate appeals received since 1993, which have been accepted
20 by the Inmate Appeals Branch.

21 5. I am personally familiar with the record keeping system at the Inmate Appeals
22 Branch (IAB), and I am able to verify the status of a California inmate's third-level
23 administrative appeal(s).

24 6. This Office received a request from the Office of the Attorney General to research
25 our system files to locate any and all Third Level Inmate Appeals filed by Esau Rogers, CDCR
26 No. P-54800, from January 2006, to the present, pertaining to allegations of staff misconduct,
27 harassment, failure to investigate, and/or excessive cell searches and confiscation of property, by
28 Defendants Rivas, Almager, Batchelor, DeGeus, Hernandez, Soukup, and Stein. A thorough

1 search by my staff of records kept in the ordinary course of business in the Office of the Inmate
2 Appeals Branch in Sacramento, California revealed that this Office has accepted, processed, or is
3 processing for review the following appeals:

4 a) On February 21, 2007, this Office accepted for review Appeal Log No. CEN-06-
5 00904 from inmate Rogers regarding a medical issue against Dr. Espinoza. This appeal was
6 denied at the Third Level of review on May 16, 2007. This appeal did not name any of the listed
7 Defendants, nor did it mention any of the allegations listed above.

8 b) On March 27, 2007, this Office accepted for review Appeal Log No. CEN-06-
9 01165 from inmate Rogers, in the form of a staff complaint, alleging that he was verbally
10 disrespected by Correctional Officer Rivas, that Officer Rivas searched his cell multiple times,
11 and that his state-issued clothing was confiscated during a cell search. This appeal was partially
12 granted at the Third Level of review on June 13, 2007, in that the Inmate Appeals Branch
13 directed the institution to prepare an amended response to Rogers' staff complaint, and to more
14 fully document who was interviewed, and when. This staff complaint did not name any of the
15 listed Defendants other than Defendant Rivas, and did not contain allegations that any of them
16 were failing to investigate Rogers' grievances or violating his rights in any way. True and correct
17 copies of Appeal Log No. CEN-06-01165, as well as copies of the First, Second, and Third Level
18 decisions are attached hereto as Exhibit A.

19 c) On September 27, 2007, this Office accepted for review Appeal Log No. CEN-07-
20 00690 from inmate Rogers regarding another staff complaint, alleging rude and unprofessional
21 behavior by Officer Kaivan. This appeal was granted in part at the Third Level of review on
22 December 21, 2007. This appeal did not name any of the listed Defendants, nor did it mention
23 any of the allegations listed above.

24 d) On December 31, 2007, this Office accepted for review a Group Appeal, Log No.
25 CEN-07-01205, to which inmate Rogers joined, alleging deliberate indifference by prison
26 officials related to a period of modified programming at the prison. This appeal was denied at
27 the Third Level on April 4, 2008. This appeal did not name any of the listed Defendants, nor did
28 it mention any of the allegations listed above.

1 e) On January 24, 2008, this Office accepted for review Appeal Log No. CEN-07-
2 01377 from inmate Rogers regarding allegations of harassment by Officer Rivas, alleging that
3 staff's behavior was racially motivated. The Third Level decision for this appeal is currently
4 pending. Although a decision is pending on this appeal, inmate Rogers did not name any of the
5 Defendants listed above other than Officer Rivas, nor did he make any of the allegations of
6 misconduct against them.

7 7. A tracking system for appeals *rejected* by the Office of the Inmate Appeals
8 Branch was established in August of 2000. A thorough search by my staff of records kept in the
9 ordinary course of business in the Office of Inmate Appeals Branch in Sacramento, California
10 revealed that inmate Rogers attempted to file the following appeals:

11 a) On March 9, 2006, this Office received Appeal Log No. CEN-06-00057 from
12 inmate Rogers regarding living conditions. This Office screened out and returned the appeal to
13 inmate Rogers on March 9, 2006, because it was not completed through the Second Level of
14 review at the institution.

15 b) On November 22, 2006, this Office received Appeal Log No. CEN-06-00904
16 from inmate Rogers regarding a medical issue. This Office screened out and returned the appeal
17 to inmate Rogers on November 22, 2006, because it was incomplete and/ or missing
18 documentation.

19 c) On July 21, 2004, this Office received Appeal Log No. CEN-04-00943 from
20 inmate Rogers regarding a staff complaint. This Office screened out and returned the appeal to
21 inmate Rogers on July 21, 2004, because it was incomplete and/or missing documentation.

22 8. Other than the appeals listed under 6(a), and 6(d) above, no other third level
23 appeals by Plaintiff, Esau Rogers, CDCR No. P-54800, have been accepted for review by the
24 Inmate Appeals Branch in Sacramento, California.

25 9. Additionally, a thorough search by my staff of records kept in the ordinary course
26 of business in the Office of Inmate Appeals Branch in Sacramento, California revealed that this
27 Plaintiff, Esau Rogers, CDCR No. P-54800, did not exhaust any appeal at the Third Level
28 regarding any allegations of misconduct or failure to investigate by Defendants Almager,

1 Batchelor, DeGeus, Hernandez, Rivas, Soukup, and Stein. A true and accurate copy of the
2 Inmate/Parolee Appeals Tracking System - Level III, for inmate Rogers is attached hereto as
3 Exhibit B.

4 I declare under penalty of perjury under the laws of California and the United States of
5 America that the foregoing is true and correct.

6 Executed on May 16, 2008, at Sacramento, California.

DIRECTOR'S LEVEL APPEAL DECISION

Date: JUN 1 3 2007

In re: Rogers, P-54800
Centinela State Prison
P.O. Box 731
Imperial, CA 92251-0731

IAB Case No.: 0612306

Local Log No.: CEN 06-01165

This matter was reviewed on behalf of the Director of the California Department of Corrections and Rehabilitation (CDCR) by Appeals Examiner Jack Batchelor, Facility Captain. All submitted documentation and supporting arguments of the parties have been considered.

I APPELLANT'S ARGUMENT: It is the appellant's position that for the past two or three months, he has withdrawn CDC Form 602, Inmate/Parolee Appeal Forms regarding Correctional Officer (CO) Rivas for verbally disrespecting him. Recently, a CDC 602 was partially granted regarding this CO's behavior and since then, CO Rivas has conducted cell searches which have resulted in his cell being "trashed." The appellant claims these cell inspections occur two to three times per week. The appellant requests that CO Rivas is removed from his building and counseled by her superiors.

II SECOND LEVEL'S DECISION: The reviewer found that appropriate supervisory staff conducted an inquiry into this matter. The inquirer reviewed the submitted material and interviewed the involved parties. Release of the finding or information related to the inquiry is confidential and will not be disclosed.

III DIRECTOR'S LEVEL DECISION: Appeal is granted in part.

A. FINDINGS: Upon review of the documentation submitted, it is determined that the institution failed to comply with the provisions of Administrative Bulletin (AB) 05/03. Specifically, Attachment "E" of the AB provides the format in which staff complaints are to be prepared. In the section entitled, "SUMMARY FOR APPEAL INQUIRY" specific language is required. This language must include the date in which the appellant was interviewed and the name and title of the staff member conducting the interview. This section also requires a list of witnesses who was/were interviewed.

A review of the both the First Level of Review and Second Level of Review indicates that the format contained in Section "E" of AB 05/03 was not included in either response. There are no dates as to when the appellant was interviewed and by whom. There is also no witnesses listed who was/were interviewed. Therefore, the response to the appellant's appeal designated as a staff complaint is not in compliance with AB 05/03.

B. BASIS FOR THE DECISION:

California Penal Code Section: 832.5, 832.7, 832.8
California Code of Regulations, Title 15, Section: 3004, 3122
AB 05/03, Attachment "E"

C. ORDER: The Centinela State Prison (CEN) shall prepare an amended response to the appellant's appeal. The institution's response will be in compliance with AB 05/03, specifically Attachment "E."

This issue was discussed with the office of Chief Deputy Warden.

PROCESSED AS A STAFF COMPLAINT APPEAL INQUIRY

SUMMARY FOR APPEAL INQUIRY:

Rivas, Correctional Officer, verbally disrespected you and conducts searches of your cell two to three times a week and thrashes your property. The following witnesses were questioned: Correctional Officer Rivas and inmate ISAAC, T 14545. The following information was reviewed as a result of your allegations of staff misconduct: Cell Search log for Building D-3, Cell Search Receipt dated December 1, 2006, for Cell D-3 123, and the California Code of Regulations (CCR), Section 3030.

FINDINGS FOR AN APPEAL INQUIRY:

Your appeal is Partially Granted at the First Level, as an inquiry into your allegation has been conducted. ALL STAFF PERSONNEL MATTERS ARE CONFIDENTIAL IN NATURE. As such, results of any inquiry/investigation will not be shared with staff, members of the public, or inmates. Although you have the right to submit a staff complaint, a request for administrative action regarding staff or the placement of documentation in a staff member's personnel file is beyond the scope of the staff complaint process.

Allegations of staff misconduct do not limit or restrict the availability of further relief via the inmate appeals process. If you wish to appeal the decision, you must submit your staff complaint appeal through all levels of appeal review, up to and including, the Director's Level of Review. Once a decision has been rendered at the Director's Level of Review, your administrative remedies will be considered exhausted.
